

Summer Fun Raffle

Sponsorship Request

The Spirit of the Dragon Martial Arts School and the Lil' Dragons Student association are very proud to give back to our community whenever possible.

We are very excited to be taking the next step in our community support with the formation of the "I Will Shine" program. This initiative will allow us to provide further assistance to individuals and groups who might not otherwise have access to this type of confidence building programming. For more information on the I Will Shine program please see the following page.

We are thrilled to be hosting the Summer Fun Raffle in support of I Will Shine programming. We are requesting assistance from our families, friends and businesses in the form of prize donations or monetary donations that can be used to purchase prizes. Funds raised will help support the program with ongoing expenses.

All sizes and types of donations are gratefully appreciated. All sponsors, individual and business, will be thanked personally on our Spirit of the Dragon website as well as our facebook page Business will receive the option of a link directing readers to visit their business website as well.

Donation deadline is May 31, 2018.

Donations can be dropped off at Spirit of the Dragon (1210 Lorne St) or just let us know where and we can arrange to pick it up.

We thank you for your consideration.

For more information or to arrange a donation pick up please contact:

I Will Shine involves a wide range of initiatives designed to empower individuals of all physical and intellectual abilities and help encourage positive life choices for at risk youth.

Please have a look at the over view of the programs and see how the I Will Shine program helps empower deserving individuals of all ages. I Will Shine is driven by the Little Dragons Student Association, Spirit of the Dragon Martial Arts, Freeze Frame Photography, Play Like Girl and through the support of local businesses.

Heart of a Super Hero Book Program lets children's imagination soar as they become the star of their very own story book. This program is open to children with various disabilities and focuses on their strengths and building confidence. The star of the book is invited to a personal photo shoot capturing epic action shots to be used in their book. The story line focuses on the child and their strengths in life, promoting a healthy attitude and positive self worth.

Shining Stars Photos uses photography to showcase the achievements of at risk youth and encourage involvement in sports.

Selected sports teams are invited to a team photo shoot followed by an Xtreme Team Building session as a congratulations for their achievements. Their epic photos are meant to showcase their skills and encourage continued participation in sports and recreation.

Xtreme Team Bonding and Fun Days provide amazing fun and fitness activities to sports teams, community groups and schools. Programs provide fitness, confidence and team building opportunities for groups that might not otherwise have adequate funding. Groups are treated to fun days, fitness and self defence with programs designed to fit the needs and skill level of each group.

Standing Tall Bully Prevention and Stay Safe Self Defence

provides both anti-bullying and self defence programming for all ages. Standing Tall teaches children how to avoid becoming a victim as well as gives children the skills to deal with a bully, should the need ever arise. Stay Safe Self Defence provides children, teens and women with programming designed to help them stay safe in aggressive or violent situations.
